The boring bits...

Membership fees cover the club's running costs, such as website, pin badges, and RTBI capitation. By joining as a full member we kindly ask you to attend a minimum of 8 business meetings a year and engage in business decision making. As a club we reserve the right to downgrade or revoke membership for any persons failing to uphold the club values or the minimum commitment levels required.

Unless agreed in person with the club treasurer, membership is due via a single payment in April. If you join part way through the club's year then the cost will be calculated pro rata. For example if you join in May you will pay for 11 months (£220). If you join in March you will pay for 1 month (£20).
