THE SMALL PRINT

Fees cover club running costs, including the website, pin badges and RTBI capitation. Full members are asked to attend at least 8 business meetings each year and take part in club decisions. The club may downgrade or revoke membership where club values or minimum commitments are not upheld.

WHEN PAYMENT IS DUE

Unless agreed with the club treasurer, membership is paid in one instalment in April. Members joining part way through the club year pay pro rata. For example, a full member joining in May pays for 11 months (£220); joining in March costs one month (£20).

* EX-FULL MEMBER CONTRIBUTION

Membership is free; a contribution of £50-£100 is recommended.
